PORTFOLIO ALLOCATION

The asset allocation of this portfolio will consist primarily of bank deposits, term deposits and other money market instruments and government, agency and corporate bonds and preference shares issued by listed companies and approved by Colonial's Investment Policy Committee. The weighted average duration of the portfolio will generally not exceed 2 years.

Due to the portfolio's asset allocation, this fund carries a low level of risk. The expected gross long-term return of this portfolio will generally reflect current market conditions, similar to a Money Market Fund. Long-term, we believe this option could provide a total annual return between 2%-4% on average.
